

Projects Underway at Ashling!

saloniki | GREEK

*Saloniki
Cambridge, MA*

Construction fit-out has begun on the ground floor of the brand new Novartis Institute for Bio Medical Research Campus. The glass enclosed restaurant is located in close proximity to MIT's campus at the intersection of Kendall and Central Square. This is Ashling's second project working with BKA Architects and the Saloniki team. Kitchen by TriMark United East

*Roxy's A4 Cade
Cambridge, MA*

The local food truck gone brick and mortar has joined forces with Area Four restaurant for this location. With over 4,000 sq ft, on the ground floor of Takeda Pharmaceuticals' Campus, this Roxy's concept will feature a restaurant, bar and retro arcade.

*Roxy's Grilled Cheese
Lynnfield, MA*

Roxy's, designed by Joe the Architect, will commence construction soon at Market Street -Lynnfield. This is Roxy's third local restaurant and will feature outdoor patio seating. Both kitchens by TriMark United East.

*Bottled in Bond
Boston, MA*

Construction has begun on the restaurant and bar in the Ink Block building located in the South End of Boston. Derek Rubinoff Architects and Interior Designer Taniya Nayak have designed the establishment for Boston Tavern Company and Ken Casey of the acclaimed Dropkick Murphy's. Kitchen by TriMark United East and EF Smith & Son.

*Chew
Boston, MA*

Renovation of an existing space located above Guitar Center in Fenway is currently underway. SGA Architects has designed Chew's Boston location to best utilize the 10,000 sq ft to fit their growing needs. Chew is a food innovation lab focusing on inventive/nutritious sustenance.

Kitchen by Harbour Food Service Equipment.
