# Osteria Posto

## Waltham

Waltham MA - December - Open this week, [Osteria Posto](#) is the latest edition to the Alpine Restaurant Group.

Ashling was honored to work with Morris Nathanson Design on Osteria Posto. The 7,900 SF, 310 seat restaurant was constructed from an empty shell to completed space in (18) weeks including new cantilevered patio area.

"Behind the palatial green doors, the dining room is open, airy, and comfortable with wooden and leather touches and pops of greens, blues, and teals that run throughout. Dividing the dining room from the private space, a large walk-in cellar spotlights the wine program. The dining room is bright with dramatic lights that hang from the ceiling. Grassy green chairs contrast against the chestnut-colored leather banquettes that are tucked away into corners, giving a little privacy and a great view of the restaurant"

Eater - November 2015

Recent awards bestowed upon Ashling restaurants include [Townsmen](#), [Eater 2015](#) Restaurant of the year and [Esquire](#) as one of the best new restaurants in the country. [Worden Hall](#) has been noted by [Zagat](#) as one of the top 10 Hottest Bars in Boston.
