ASHLING FIRSTS!

Ashling is honored to complete the first ever Saloniki Greek. The 2,700 sf restaurant is located at 132 Brookline Avenue near Fenway Park. The partnership of Jody Adams, Erik Papachristos and Jonathan Mendez developed this fine-casual Greek restaurant that features classical Greek foods such as lamb meatballs, pork shoulder, whipped feta cheese, charred eggplant & tomatoes served alongside salads, rice bowls and freshly made pita bread.

Ashling has begun construction on the United States first Tom's Bao Bao. The 1,055 sf restaurant will be in Harvard Square. The Chefs spent months in China training in the fine art of creating handmade Chinese steamed buns also known as baozi. This exciting new concept will be ready for public consumption by summertime.

Ashling has been awarded the contract for Sweetgreen Restaurant near Fenway Park. Construction is underway and we are excited to be part of the team that will expand this popular concept throughout New England.

"Sweetgreen is a destination for delicious food that's both healthy for you and aligned with your values. We source local and organic ingredients from farmers we know and partners we trust, supporting our communities and creating meaningful relationships with those around us. We exist to create experiences where passion and purpose come together."
